### How do I participate?

1. Click on [Refer A Friend](#) to access your CURRENCY HUB unique referral link.
2. Send your referral link to your leads, and if they click on it and register with CURRENCY HUB, they will be credited as your referral.
3. You can track your referrals in the [referrals](#) tab. Due to revenue being tracked at a bank level, you will not have live access to your referral earnings on the website at this stage. A report with your earnings will be provided at the point of payout.

### When do you pay for referral earnings?

Referral payouts will be processed and paid on the 5th of each month for the previous month's referral earnings. Payouts will be into your primary South African bank account that we have on file.

### What is the fine print?

- This is an "invite only" offer to CURRENCY HUB clients (who understand the arbitrage trade).
- Referrals only apply to new clients without a Capitec account with Black Onyx as of 31/8/2023.
- You only earn on your direct referrals, and you may not earn on your referrer's referrals.
- The referral program may be modified or discontinued without advance notice due to market conditions and will undergo a review at the conclusion of February 2025.
- To receive credit for your referrals, leads must click on your unique referral link for CURRENCY HUB and complete the registration process. Please note that CURRENCY HUB cannot be held accountable for untracked referrals resulting from client-side errors.
