R2.5m NCR credit facility to apply for your full R10m AIT allowance (formerly FIA)

In association with an NCR credit provider^[SH1] CURRENCY HUB can support you with a *credit facility* to apply for your R10 million AIT (Approval of International Transfers), while using your own capital for us to complete your arbitrage trading within the regulatory framework of the FSCA, SARB and SARS.

Benefits:

- R2.5m credit facility speeds up SARS applications significantly, saving you money.
- Processing 4 x SARS applications navigates ongoing challenges at SARS, saving you time.
- Supports individuals who wish to apply for part of, or their full R10m allowance.

Your estimated profit noting an ever-changing premium:

Own Trading Capital - Profits and Fees Explained

* R500 SWIFT fee is charged by the bank for every FX transaction completed. ** Forex fee is calculated as 25% of the Gross Premium, charged onto the FX rate when purchasing USD for the client (capped at 1%). Profits are calculated after the CURRENCY HUB fee but exclude the NCR loan fees. Past performance does not guarantee future returns.

Who Qualifies?

- You should qualify with a minimum monthly income of R15,000 - 20,000.
- Spouses can sign surety for one another (in accordance with an *inter-spousal loan*)
- All applications are on an individual basis as per your separate tax status.

What is the cost?

CURRENCY HUB will invoice R2250 (admin fee) for each R2.5m credit facility. CURRENCY HUB only invoices for successful applications. This is a separate service to the arbitrage / forex. See below for details on the fees charged by the credit provider.

CURRENCY HUB Terms & Conditions:

- For exclusive use with the CURRENCY HUB Crypto Arbitrage service.
- Clients will receive the PIN for trading once we have received payment.
- Use your own capital to trade with a minimum of R200k (higher amounts increase your profits).
- The credit facility is non-transferable to other individuals or other Crypto Arbitrage providers and according to the contract, its use anywhere else is deemed fraudulent.

INTRODUCING TUUURTLE, an NCR registered credit facility provider ...

Next Steps:

1. Sign the 2023 CURRENCY HUB trading mandate.
2. Complete the loan application and await feedback from Tuuurtle.
